ArrowLock

ABRIC™
Security Seals

The ArrowLock range of security seals are designed to secure specific makes and models of plastic containers and tote boxes.

APPLICATIONS

- Retails / chain stores
- Records management / archive storage
- Merchandise storage

FEATURES

- Easily to seal and remove
- Suitable for a wide range of tote boxes
- Sequentially numbered tabs must be broken to gain entry
- Optional printing in pairs or triples

BENEFITS

- No tools are required
- More efficient and cost effective compared to a pull-tight seal
- Provides visual evidence once seal has been broken
- Option to record only one serial number per trip

SPECIFICATIONS
