

SmoothLock is an extremely user friendly, highly secure tamper evident pull tight seal. It can be used to secure big bags, such as courier bags.

APPLICATIONS

- Plastic distribution boxes, cage roll pallets, cash containers
- Food tanker valves
- Forensic evidence bags
- Postal bags

FEATURES

- Smooth strap
- Stainless spring locking mechanism
- Side tear off option
- 350mm, 400mm & 450mm seal length available with Big Tag

BENEFITS

- User friendly and gentle to operators
- Enhanced security
- Allows removal without the need for a cutting tool, which improves health and safety considerations
- Provide customers with an easy identification of delivery details
