

# ZipPack & ZipLock

ZipPacks are particularly useful for secured distribution of high value goods or sensitive documents. Each ZipPack are designed and produced with a special locking chamber for the application of the disposable ZipLock seal.

## APPLICATIONS

- Carrying coin and paper currency, credit cards, cheques, etc
- Delivery of mail and confidential documents
- Securing criminal evidence, records and personal property

## FEATURES

- ZipPack is made of heavy duty, flame retardant, high quality PVC and polyester sandwich
- ZipPacks are reusable
- Clear plastic sealed housing
- All ZipPacks are sewn internally
- Easily sealed with unique locking mechanism
- Seal housing is secured internally
- Zip teeth are faced inside
- Manual removal
- Available in three designs - Envelope, Pouch & Bag with different sizes

## BENEFITS

- Specially designed to be durable and suitable for prolonged usage.
- It could be re-used, thus reducing the cost per trip
- Clear chamber window allows the seal to be easily checked for tampering
- Inside sewing makes it hard to tamper
- Seal chamber cannot be removed without destroying it
- Internal zip teeth provides better security
- ZipLocks can be easily removed without the need of a tool.
- Three different type of design in various size combinations to accommodate an extensive range of applications
